The above is a tentative program which will remain in the hands of the advisory committee as the program progresses.

All classes will please take note to their particular part on this program and be prepared for same without loss of time. Much is expected of this convention, and we anticipate one of the best conventions ever held in Curry County. Visitors from abroad will be with us and it is hoped that all singers will take special pains to see that our visiting leaders become acquainted with the singers of our county. We have the new song books for the occasion—be prepared. "I am for the Big Plateau Singing Convention!" is the slogan of the day which we hope will be perfected by the fourth Sunday in June, 1922. Everyone bring dinner.

John F. Taylor,
President Curry Co. Singing Convention.

Lula Mitchell, Secretary.

CLOVIS CHURCH OF CHRIST

The gospel meeting for which we have so long planned, and for which we have so earnestly prayed, has now begun. Brother Shepard is giving some strikingly forceful lessons. He insists that the Bible contains God's positive message to man. This man God richly endowed with reason, intelligence and the power of volition. Hence, man should diligently inquire "What hath the Lord spoken?" Every idea necessary to salvation God has plainly spoken in the Book. Therefore all are without excuse.

Clovis needs this positive message. Time is too short, death is too sure and eternity is too long for you to treat with careless indifference the Gospel appeal.

Services are held at 10:00 a. m. and 7:45 p. m.

"You are a stranger with us but once."

G. F. Mickey, Minister.

Church of Brethren To Hold Conference

The Church of the Brethren will be the scene of a busy place the coming two weeks, commencing next Sunday, August 21st. Elder Morris of Oklahoma will begin his lectures and sermons to continue each evening over the following Sunday. The following subjects will be treated: "Clean Up, Get Up and Stay Up," "The Swing of the Pendulum in the History of the Church," "The Rural Church and its Problems." (Two or three evenings.)

Commencing Monday, August 22, for one week, there will be held during the day a vacation Bible school in charge of Elder Morris and wife and Gladys Pitzer of Oklahoma.

Then on Tuesday following and

continuing three days will be the various gatherings of the District Conference. On Tuesday evening there will be a temperance program. Wednesday will be devoted to the discussion of questions of special interest to the church and Sunday school. On Thursday evening or Friday morning the business session will convene with perhaps two dozen delegates present. There are only a few churches to be represented at this conference.

Those in attendance from a distance will be cared for at the church where meals will be served. The Church of the Brethren is located at the corner of Monroe and Thornton.

Cows have shown many farmers the way to better farming and independent living. Why not more cows and plenty of feed?

Water Changed Twice Each Week At Swimming Pool

We make a complete change of the water at the swimming pool twice a week. For this reason the pool will be closed each Thursday until noon.

We wish also to announce that special precautions have been taken to make the sanitation of this pool equal to the best in the country. Chemicals used to sterilize water have the approval of the best authorities in the country, and are used in such proportions as to be perfectly harmless and are in the same proportions used in sterilizing water for drinking purposes.

We keep persons constantly on the watch to see that no one enters the pool whose health would be a menace to others.

Ladies' Swimming Club from 3 to 6 each Monday. Ladies only from 9 to 12 each Monday.

Firestone

30x3 1/2

STANDARD NON-SKID

The Fastest Selling Tire In America

The increasing popular demand for the Firestone Standard 30x3 1/2 inch tire over a period of years has given us big volume. Our Plant No. 2 devoted wholly to this size tire with a capacity of 15,000 tires per day cuts costs on every operation.

On May 2, we dropped our price to \$13.95 passing on to the car owner the full benefits of this big sales volume and this labor-saving plant. This tire has been our standard for years—four plies long staple fabric—extra gum between plies—heavy non-skid tread. The greatest value ever offered car owners. Insist on Firestone.

Our Cord Tire Values

Firestone Cord tires are made exclusively in Plant No. 1. Our process of double gum-dipping each ply of cord gives thicker insulation. The massive non-skid tread, with extra thickness where wear is most severe, gives real effectiveness in holding the car against slipping and adds many extra miles of service.

Firestone Cord tires are sold at the lowest prices in cord tire history: 30x3 1/2, \$24.50; 32x4, \$46.30; 34x4 1/2, \$54.90.
